Benefits for Drive-In Owners

- No internet skills needed
- Submit or change listings yourself instantly with an easy, online form
- Keep customers from being frustrated by busy phone lines
- Events display on the Drive-ins.com home page and in the weekly show times email
- Show times display with information about the movies on Drive-ins.com and any web sites syndicating your theaters listings.
- Show times can even be made to display on your web site from our easy to use online form

Benefits for Drive-In Customers

- Access show times for free anytime, 24 hours a day, seven days a week
- Get show times via a weekly, personalized email
- No busy signal or long distance phone calls when you try to find out what's playing
- Detailed movie information with just one click
- Movie information and links are displayed with show times

About Drive-ins.com

Drive-ins.com is a comprehensive website dedicated to drive-in theaters and their history. The site offers a searchable database of approximately 5000 drive-ins and the archives contain over 19,000 drive-in photos and media references. Additional features include industry resources for owners, as well as show times, events calendar, and an online store for enthusiasts. For more information, please visit www.drive-ins.com.
